11 November 2022

Dear Sir/Madam

A120 Little Hadham Bypass and Flood Alleviation Scheme

We are writing to give advance warning of planned closures on the A120 Little Hadham Bypass, from Sunday 27 November 2022 to Saturday 3 December 2022.

The closures are required so the team can carry out outstanding works, including adjustments to some road markings, as well as inspect and rectify any minor defects which have occurred since the opening of the Bypass in December 2021.

We have worked with Essex County Council and National Highways to ensure an appropriate diversion route is in place and have worked around improvement works ongoing in the wider area, to avoid further disruption for road users and help you plan ahead.

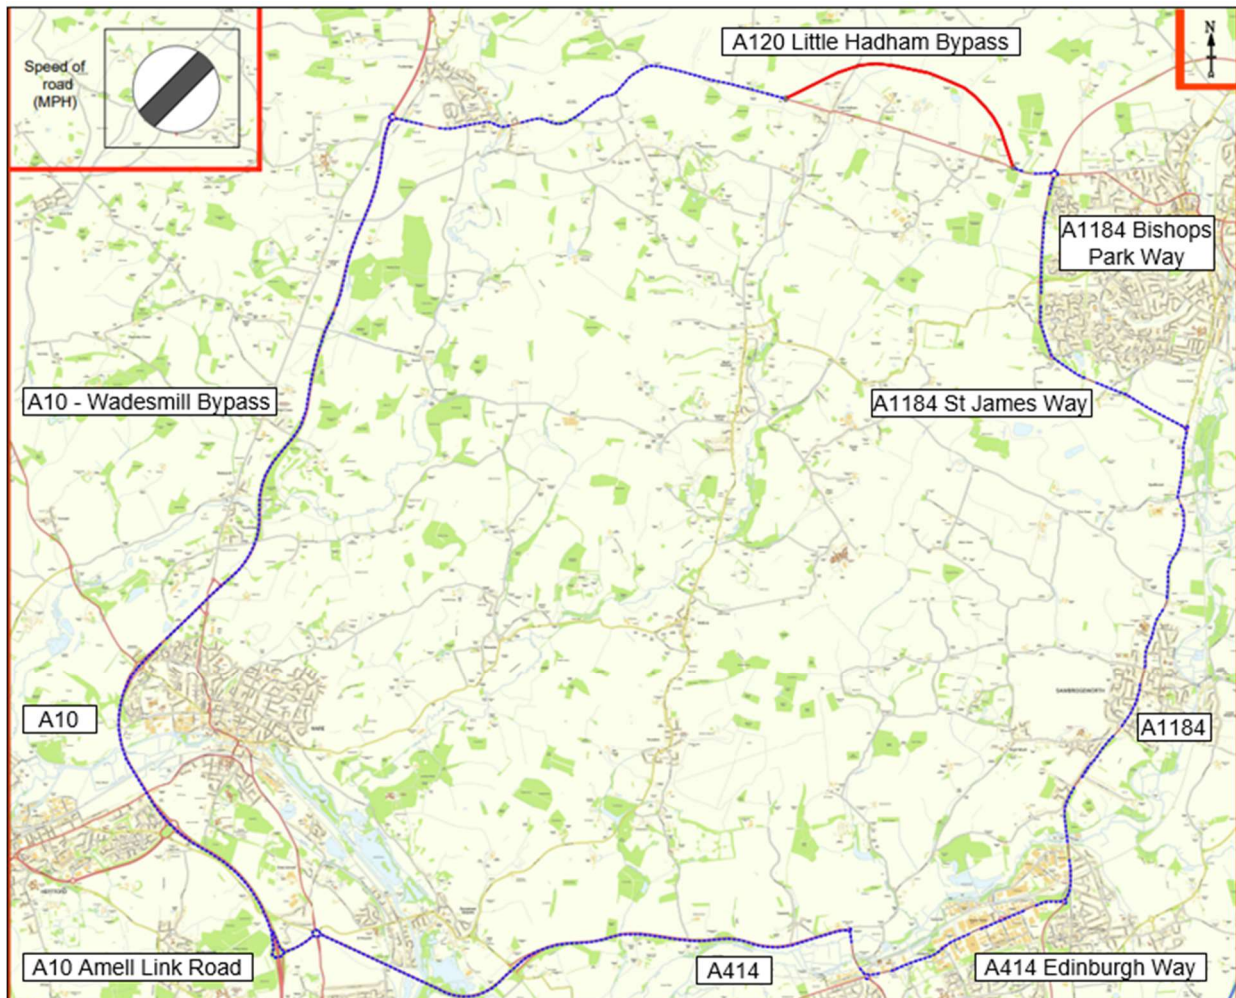

Expected start	Expected finish	Impact of works
Sunday 27 November, 5am	Monday 28 November, 5am	Full 24/7 road closure
Monday 28 November, 9pm	Saturday 3 December, 5am	Overnight closures only, 9pm – 5am each day

Diversion Route

You can also view all proposed diversion routes on the website. Should you require a hard copy please let us know. We are aware of the inconvenience this may cause and thank you for your patience.

All dates are subject to weather conditions. We will update all signs out on the network and continue to keep our social media channels detailed below and the project webpage up to date. You can also keep up to date with all roadworks across the County by visiting: www.hertfordshire.gov.uk/roadworks
